Project Number: 4792071422
CCN: PGAA
Subject: Authorized Label Suppliers Program
Dear Client,

This letter serves as a notification that the subject request has been completed.

We processed your application and the multiple supplier locations have been established in our Authorized Label Suppliers Program.

The supplier sites listed below will be published in the UL Product iQ located at our website WWW.UL.COM. On the UL homepage, click on "UL Product iQ (Certifications Search)" to search for your company by file number or UL Category Code PGAA. The sites are maintained by UL under the file number, referenced above the subject line. However, for publication purposes, each supplier site has been assigned its own UL File Number as noted below. When searching for the specific supplier location on the website, please utilize the file number listed below. Please visit the website and review your company's information and contact us if there are any discrepancies. This letter serves as authorization for the printer to begin printing UL Certification Marks.
